Parish Council

Statement of Case

In respect of proposed 18 wind turbines, 125m high, at Middle Moor, Alnwick

The council objects to this development in summary on the following grounds:

Massively intrusive;

Huge detrimental impact on landscape;

Incapable of mitigation;

Change to unspoilt views from the heritage coastline, and Area of Outstanding Natural Beauty;

Harm to the natural environment and the setting of the Historic parks and buildings;

Detrimental effect on tourism and the harm to the local economy;

The damage done to such a vulnerable sensitive historic landscape outweighs any claimed saving in CO2 emissions ,

Etc.
